Valencia™ Biosense

WHAT'S ABOUT TO COME?

We have lots of exciting surprises planned for 2024, but we won't reveal everything just yet. Here are some clues. Join us in 2024 to discover it all!

Vestige, 100% recycled backing made from PET bottles

Launching in autumn 2024, the upcoming collection draws inspiration from an iconic textile pattern.

Silvertex® New Colours:

Our Silvertex® colour range is undergoing an update, expanding to offer 66 colorways. We are introducing 9 on-trend tones.

Valencia™ C5 New Colours :

Our Valencia™ C5 colour range is being updated, expanding the palette to 66 colourways. We are introducing 11 new contemporary shades, that will be also available standard version.

Portfolio update

We are thrilled to announce our **2024 portfolio update**, featuring new contemporary and innovative collections. To make room for these exciting additions, we will be discontinuing some existing collections. This strategic update ensures we provide you with the most current and relevant products. Please find the collections and references **being phased out from January 2025** above; they will remain available while current stock lasts and thereafter as customer orders.
